Foreword

We, the annual staff of the graduating class of 1967, take great pride in presenting you, the student body, with our edition of the Golden Warrior. It is our sincere hope that this yearbook will bring to mind many pleasant memories, both now and in years to come.

We wish to acknowledge Mrs. Cook's untiring efforts toward making the 1967 "Golden Warrior" a success. Only through her unselfish attitude and experienced guidance were we able to compile this annual.

We take great pleasure in presenting you with the "Golden Warrior."

The Annual Staff

Dedication

The Annual Staff wishes to dedicate the 1967 Golden Warrior to Mrs. Frances Chapman. This is only a small token of our appreciation for her many hours of dedicated service, not only to us, but to all her students. Her attitude of always considering her students' well-being before considering her own has brought her not only the respect, but also the affection of her students.

It is in the same spirit, that we dedicate this yearbook to Mrs. Chapman, our first grade teacher and life-long friend.

Superintendent's Message

This has been a memorial year for the students and faculty of the Sanger Schools. We have stepped up into the ranks of the class "A" schools of this great state of ours.

The effort you have put forth hasn't been in vain. Whether it has been in the classroom or on the athletic field, I know that you have given your best. Our school is proud of you, and the schools of the area know that we belong.

Sincerely,

Barrett H. Reeves

Class History

The 1967 Senior Class began school in the fall of 1955. There were 37 of us that enrolled in the first grade and now, some twelve years later, 34 are preparing to graduate from high school and enter college.

During the first four years of school, there were many students that moved to and from Sanger Elementary School. However, in the fifth grade we picked up Kenny Cook and Danny Peabody.

The next year, we were joined by Buddy McPherson.

In the seventh grade, we acquired several new students, including V. B. Atchison, Jimmy Williams, Tommy Joe Rhodes, Larry Campbell, and Frank Kubieck.

Our final year in grade school brought Dyanne Bailes into our class. Vickie Smith returned to the Sanger Schools after leaving in the first grade. Our graduation from grade school was our first real milestone. We had finally reached our first goal and, after eight years of preparation, we were ready to enter high school.

The next year brought us all of the joys and troubles of being Freshmen in Sanger High School. We were joined by Kenneth Puckett and Joe Serna. Coach Hicks was our Freshmen sponsor.

Our Sophomore year was uneventful, but not dull. There was always something happening. Mr. Banks and Miss Holt led us on to bigger and better things by sponsoring many money-making activities such as pie sales, cake sales, pie and cake sales, etc.

During our summer vacation before our third year in high school, Ricky Brown moved to Greenwood, South Carolina. Everybody missed Rick because he had been with us since we started school and was always the life of the party. He comes back to Texas during Christmas holidays and we always have some good times with him.

Our Junior year was definitely our busiest and we all had to work extremely hard to make the money for our Jr.-Sr. Banquet and Prom. We finally reached our moment of glory on May 6 as we presented the Seniors with "Paradise Isle" that was enjoyed by everyone attending. The "G's" played at the prom that followed. This was a fitting climax to our Junior year. We got Adolphus Miller, Gloria Greenwood, Joyce Kemp, Gary Fain, Don Davis, and Pauline Henderson. Our sponsors this year and next are Mrs. Guillott and Mr. Johnson.

We began our Senior year by getting our rings. Lee McGivary moved here and set our graduating class at 34. Myrl Yeary was injured in a car wreck and is expected to miss most if not all of school this year. It just hasn't been the same without Myrl around but we've all kept in contact with her through the parties that have been held at her house, and her attendance at the home basketball games. We are all hoping that she will get to come back to school, but if not, then participate in our graduation exercises. These exercises should hold special meaning for her since she is one of the fifteen original students of our present class. The others are: Mike Hovenkamp, Teresa Klein, Beverly McReynolds, Bobby Payne, Charlie Staples, Eddie Draper, Billy Roy Switzer, Mary Cook, Jackie Landers, Johnny George, Linda Denison, Ronald Bentley, George Wells, and Robby Wylie.

Our Senior play was held March 31. It was entitled "Spooks and Spasms" and was a lot of hard work, but also a lot of fun.

The graduation exercises are nearing, and soon we will be leaving Sanger High School. All of us will be going our separate ways and the closeness that we have felt for the past twelve years will be no more. We are happy that we are completing our high school education, but it is saddening to think that we will never be the same close-knit group again, we will never again walk down the halls of this 'ole school as students, and, for many of us it means never again donning the "'old purples'" to participate in athletic contests. So, with feelings of both happiness and regret, we prepare to leave high school, and as we do, so, we can only tell the underclassmen to enjoy every moment of their time in school, because sooner than they can realize, they, too, will be preparing to leave dear 'ole Sanger High School.
